

# Holding On

Words and Music by Gen Bryant

## VERSE 1

I have searched for you,  
I've been calling out your name,  
And here I am again.  
How I long for you, to hear your voice,  
Feel your presence

## CHORUS

Even though I can hear Your stories,  
even though I sing Your songs,  
I'm looking high and low to find You,  
Sometimes it's not enough.  
I'm just another soul before You,  
Singing once I was lost now found.  
Who am I to call out to You, to call on You Lord?

## REPEAT VERSE 1

## CHORUS

## BRIDGE

If I fall, I will cry out, cry out to You.  
Through it all I'll be holding on, holding on to You. x 2

I'm just another soul before You,  
Singing once I was lost now found.  
Who am I to call out to You,  
To call on You Lord?
