

A Thousand Words

Words and Music by Gen Bryant

VERSE

If a picture paints a thousand words then how could I,
Ever paint the words and loveliness of You?
We can sail across the ocean, reach the stars above,
Still we never seem to reach the depth of You.

CHORUS

You're in every heart I see.
You're in every breath I breathe.
In my brokenness I believe,
Your love rains down on me,
Your love rains down on me.

BRIDGE

You are the reason I believe,
You hold the freedom that I need.
You are the reason I believe,
You hold the freedom that I need.
